

The hot water that just keeps on giving!

Australian owned Dux Hot Water is dedicated to reducing Australia's carbon footprint, and is now recognised as having the most highly awarded range of environmental water heaters.

Install a Dux Sunpro® Electric Boosted Solar Hot Water System, and you could be eligible for fantastic Government rebates.

Upgrade to Solar Hot Water and make the most of over \$2,500* in RECs, Federal and NSW Government Rebates!
Plus big savings on your energy bills!!!

Call now for a free, no obligation quote!!

*Eligibility conditions apply for rebates/incentives. Refer to www.hotwaterrebates.com.au. RECs are a traded commodity, just like a share, and are subject to market fluctuations. The value of any RECs applicable should be confirmed on the date of installation. Only available if replacing an existing electric storage hot water system. Federal rebate not available with the "Insulating Australian Households Rebate".

Replace your electric water heater to a Dux Electric Boosted Solar in July and get two free gold class movie vouchers for FREE†!

Call Kogarah Plumbing on 9547 1142

Visit our showroom 12/59-69 Halstead St, South Hurstville

Dux has Australia's most highly awarded range of environmental water heaters.
